In Memory

This year, MHS lost a titan. A woman of class, wit, and endless guidance. This yearbook is not only dedicated to Dani Duggan, but to every student, teacher, friend, and person that she touched. We are her legacy now.

Duggan accepted the position of Drama teacher at Middleborough High School and eventually became the Fine Arts Department Chair. She remained a member of the faculty for over 24 years. In addition to her teaching, she also directed the Speech and Theater Workshop, directed several plays, supervised That's Entertainment, and created The Black and Purple Ball. Duggan worked tirelessly on the new school project and was instrumental in the design of the new MHS Performing Arts Center and Black Box Theater.

However, it was Duggan's direct work with students that fueled her fire. She loved them. They were her children. Although small in stature, she was a force to be reckoned with. She advocated for high standards and the rights for all. She believed in teaching the whole child and supported them as needed. Her Black Box was a safe haven.

Her students viewed her as a truly powerful force at Middleborough High School, and a hole is left in her place. She was a talented teacher, director, and actor, and MHS was lucky enough to witness her talent for many years. She was a guiding light to all students who crossed her path and was always there for those who needed her. She truly helped students reach their full potential and never gave up on someone in need. Duggan fought for what was right and didn't sugarcoat her advice or guidance. A teacher like Duggan is one in a million, and MHS was lucky enough to have experienced her impactful presence.

Dani Duggan

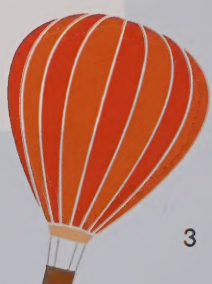

Dedication

Mrs. Mary Tumavicus began her teaching career at Middleboro High School in 2001. She worked as a school adjustment counselor within MHS and provided many students with counseling support during her career, whether it was individually, in a group, or even in a classroom. Mrs. T was an amazing resource with vast knowledge in the field of mental health, which she was always willing to share with her colleagues. She was also an important member of the Futures program, where she was able to build a connection with students who had faced a multitude of challenges. With that bond, Mrs. T. was able to give personal assistance and useful encouragement, so that students were able to find their own path to success. Besides being a great support system for students, Mrs. T. always went out of her way to connect with parental figures, making her not only a pillar in the school but in the community as well. While it is certain to say that Mrs. T. and her uplifting presence will be missed at MHS, it is more evident that her impact will be greatly treasured by those who were lucky enough to have her support.

Mary Tumavicus

Superintendent's Letter

Dear MHS Class of 2023,

Congratulations to you on all of your hard work, perseverance, and grit. It has truly been an honor and pleasure to be your Superintendent in my first year in this position. I have proudly watched you from the sidelines, in the audience, and in the classrooms and hallways of the high school as you have begun this transition into "adulthood." Whether you were bringing home a victory for the high school, winning the quad competition at Homecoming, giving an epic performance in "Little Shop of Horrors," taking an AP exam, or engaging with me directly through the Superintendent's Roundtable, I have seen so much strength, wisdom, and talent in this class. I cannot wait to see what you all do next. Our future is brighter because of you.

Much awaits you as you embark on the next chapter of your life! Please take time to celebrate your success. Savor these moments with your loved ones, your families, and your friends as they have no doubt contributed to your victories and also supported you through whatever challenges you have faced. Whether you plan to attend college next year, start a new job, take time to travel, or join the armed forces, you have all earned this celebration and deserve to know that we are all so proud of you.

Finally, I believe you will come to understand that relationships are a central ingredient to the recipe of success. I sincerely hope you will carry with you the relationships you have made here in Middleborough, always leading with kindness, and continuing to bring pride to the orange and black. As a wise leader has frequently mentioned to "be good to each other" please let that mantra remain an ever-steady drum in your minds. It is your kindness and the treatment of one another that will form the backbone of your integrity and success in your home, community, and world.

On behalf of the Middleborough Public Schools, please accept my heartfelt best wishes to each of you for a happy, healthy, and successful future.

Sincerely,
Carolyn J. Lyons

Principal's Letter

Dear MHS Class of 2023,

Congratulations to the Class of 2023! To begin, one of the greatest joys in my life is the honor to have served as your Principal for the last four years. This class is beyond special and I will always cherish the amazing contributions you have made since the moment you walked into the high school to help make our school even better.

This class will be remembered for so many things. Amazing leadership, tremendous athletic accomplishments and celebrations, talented and creative artists, musicians and actors that truly lit up the stage with each and every performance. This class demonstrated academic strength with your outstanding achievements in the classroom. This class is known for taking the important academic risks to help with your growth as a learner. There are so many stories of academic success within the Class of 2023. Your teachers loved working with each of you. We all loved working with each of you!

However, I think the most powerful thing I will remember from this class that will carry with me for a lifetime is the strength, resilience and grit of the Class of 2023. The Covid-19 pandemic hit in the middle of your freshman year, a time when you were establishing yourself as a class at the high school. The excitement of completing your first year of high school was impacted by the closure of school and the complexity of the pandemic. However, this class took this unprecedented situation and used it as your catalyst of excellence. This class remained united in your collective effort that the Class of 2023 would finish strong. The Class of 2023 made a commitment to help bring our school back with the strength and resilience of what it means to be a Sachem and to represent the power of the Orange and the Black.

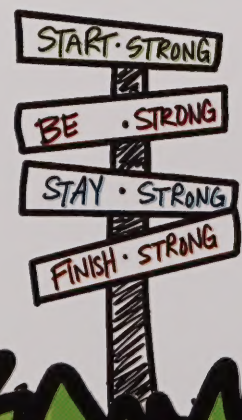

This class defines strength. Having the honor of working with each of you over the last four years, have given me so many fond memories of where you have demonstrated the love for our school. The commitment and pride you had in opening the new high school and the dedication of ensuring that all aspects of our school would come back to life. As a team, you have set the stage for future students to achieve excellence and to work hard to accomplish great things. You have mentored the classes below you to become what you have become...one of the greatest classes to walk the halls of MHS. It has been such a joy to watch each of you grow into the adults you are who are now ready to take on the world.

This is the class that will truly FinishSTRONG. I am deeply thankful to you for allowing me to share in your journey. I have learned from you. I have grown with you. I have been inspired by you. Our school will be better because of you. Thank you for leaving MHS better than how you found it. Thank you for never giving up on your school. Thank you for wearing the Black and Orange. I will miss you, your spirit, your energy and most importantly....the difference you have made at MHS! I will never forget you.

Always be good to each other and never stop leading and inspiring.

Sincerely,

Paul F. Branagan Jr.

WORKSHOP

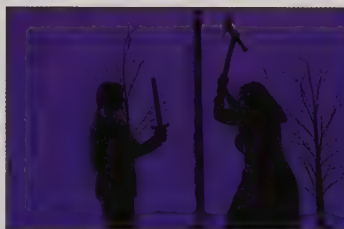

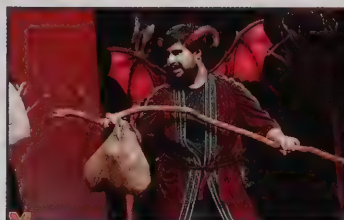

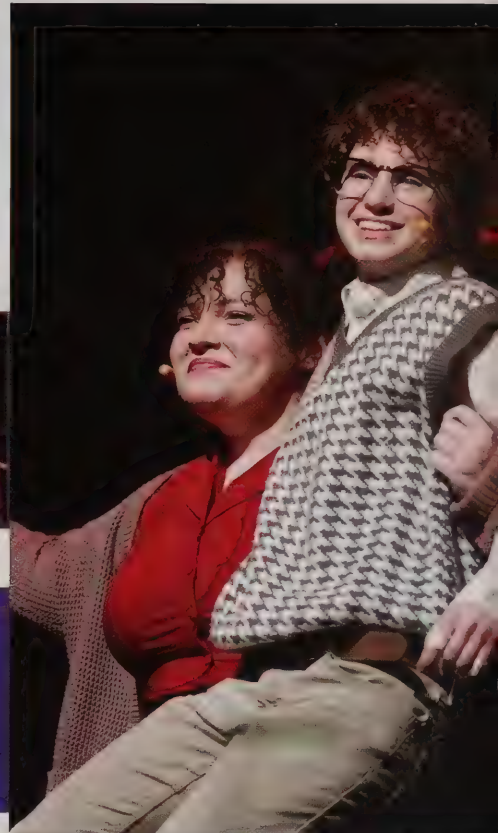

Speech and Theatre Workshop gives students the opportunity to learn and apply real acting techniques to perform on a stage. If being in front of the crowd isn't appealing to you, STW allows students to learn production for behind the scenes. Directed by Ms. Hannah Bradley and Mx. Samuel Mosher, STW was able to put on several successful shows. For both performances, "She Kills Monsters" and "The Candidate," the cast and crew received immense positive feedback, and they are excited for what is to come for the future. Also, STW worked alongside the music department to help put on "Little Shop of Horrors." This year, Kailey Almeida even placed second out of 26 entries from around the state in the METG Excellence in Tech Theatre competition for her costume design in "She Kills Monsters."

Middleboro Student Council

With over 300 members, the Middleborough High School Student Council allows any student to get involved, making it one of the largest councils in the state. The council works alongside advisors Mr. Dyer and Mr. Branagan to be a haven of student leadership. Student Council members are responsible for creating engaging and exciting events throughout the year, including our annual Homecoming and Winter Ball. Not only does the council work within the school, but they also attend regional, state, and even national conferences to collaborate with other councils to better our own. The Student Council has a big impact on the school community, and it has even been awarded multiple times for its excellence.

Orchestra

The MHS Orchestra members show off their talents and hard work at concerts and competitions throughout the year. This year, several orchestra members auditioned for SEMSBA, and Fay Heffernan was chosen to represent MHS at the spring festival. Out of all the viola auditions at the competition, Fay received the third highest score. Continually, under the guidance of Justin Pittsley, the orchestra excels despite being presented with difficult pieces.

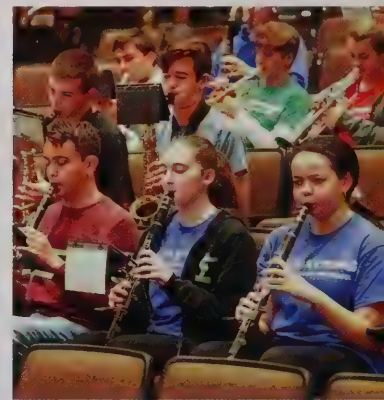

Winter Concert

Middleboro singers perform at their annual Winter Concert to showcase their talent.

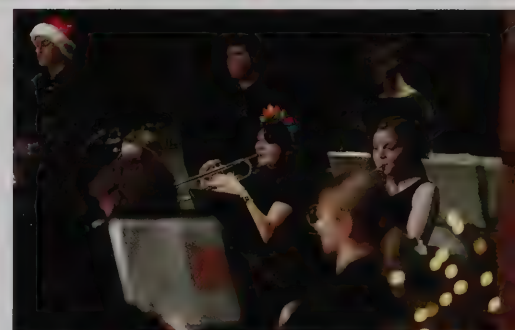

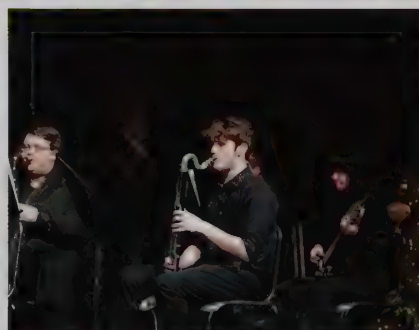

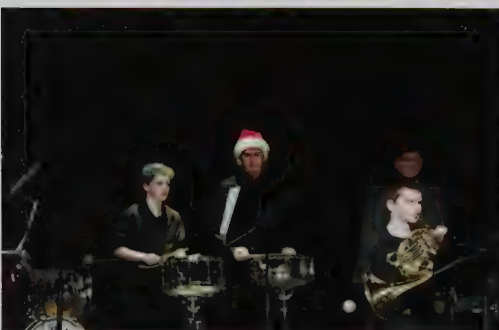

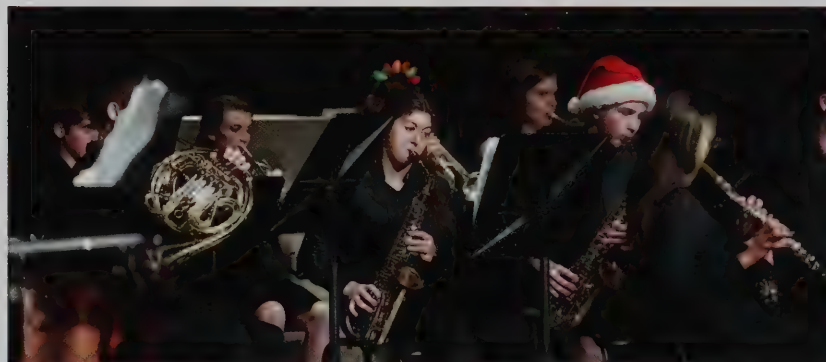

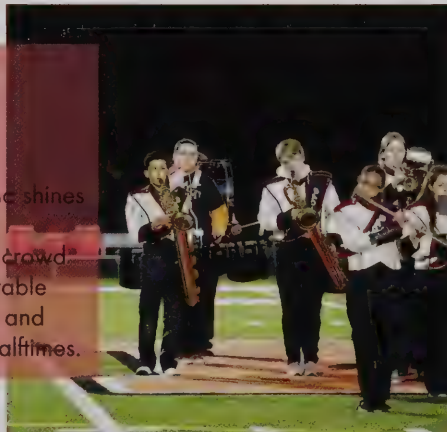

Band & Jazz Band

The MHS Band, conducted by Justin Pittsley, brings a lot of energy and excitement to parades, pep rallies, football games, concerts, and more. They have been playing all year with as much passion as before the pandemic hit us. In the recent years, a new extension in the form of a Jazz Band was created. This year, members worked on extending their skills while also further establishing the program as a whole.

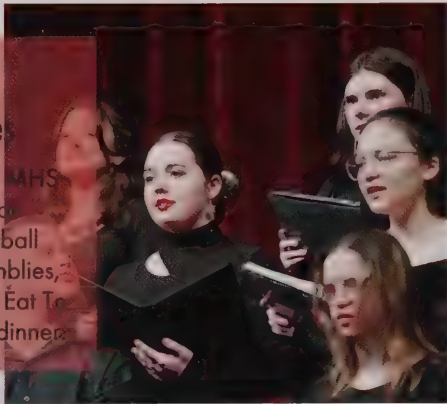

Crowd Favorites

The MHS Band shines as their talent energizes the crowd during memorable football plays and entertaining halftimes.

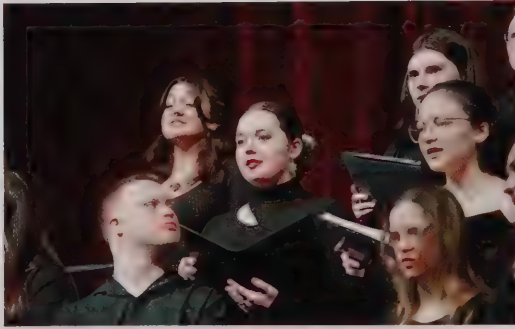

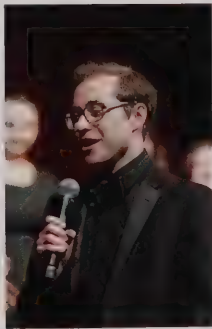

Notable
Performances

This year, the MHS
singers sang at
concerts, football
games, assemblies,
and even the Eat To
Heat charity dinner.

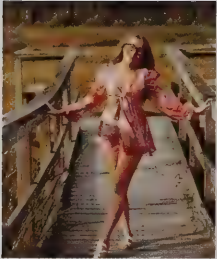

Concert Choir & Sachem Singers

Under the direction of Patrick Converse, the Concert Choir and Sachem Singers work hard to refine their musical performances. Concert Choir focuses on perfecting each member's singing skills, while Sachem Singers focuses more on simply improving everyone's singing skills. Each group performs at events such as pep rallies, caroling, competitions, and concerts.

The Timaron Yearbook, whose name stands for "Time Marches On," is produced by a select group of students each year. Every stage of making the yearbook— from taking photos to using advanced editing software— is done by the students. The advisor, Mrs. Sangeleer, worked with Allison Crowley, Paige Rooney, Cassidy Machado, Drew Turnbull, Ryan Fahey, and Isabella Fratantonio to complete this year's edition.

School Council

Kendall Santos

The School Council is an integral feature of the Education Reform Act and a vital resource for the management of the school. It creates a site-based management team that allows teachers and administrators to work with parents, students, and the community in decision-making, budgeting, and developing the school's improvement plan.

School Advisory Council (SAC)

Monique Hanna

Hana Marshall

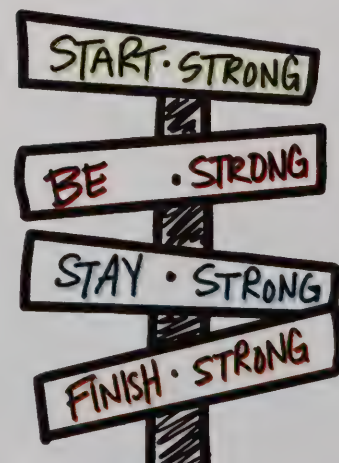

Each year, a few students are elected to the Student Advisory Council (SAC). These individuals represent Middleborough High School at the Student Advisory Council, where students discuss legislation that impacts all students.

Hugh O'Brian Youth Leadership Program

Lila Peddie

A student is chosen annually to represent Middleborough High School in the Hugh O'Brian Youth (HOBY) Leadership program. The program started in 1958 and has continued to grow each year. HOBY works with both public and private high schools to help students develop their leadership skills.

Best Buddies

ADVISORS: Mrs. Snook

Best Buddies is a program where students collaborate with other students who have intellectual disabilities. During meetings, students play games and host events like ice cream socials and movie nights. The club's mission is to foster a welcoming environment in which students can be themselves while being treated with dignity.

Book Club

ADVISORS: Mrs. Phillips

Book Club members meet to discuss books they've read, recommend ones to each other, and enjoy some snacks. In the past, they have watched movies inspired by books and have even gotten to speak to authors. Book Club members are able to read a variety of titles, and everyone gets their own copy of the monthly book to keep.

Creative Writing

ADVISORS: Ms. Hill

The Creative Writing Club is a student-led organization. During their meetings, they practice writing in different mediums, explore storytelling, and workshop original pieces. The ultimate goal of the club is to foster writing skills through a welcoming and encouraging atmosphere.

Debate Club

ADVISORS: Ms. Beaton

The Debate Club is an after-school program started in 2022 by Isabelle Thornton to engage peers in the art of how to properly argue. The club is a great opportunity to develop research and communication skills while being able to see arguments from a different point of view. Being a part of the Debate Club is a terrific way to build your resume, spend time with friends, and share ideas.

Game Club

ADVISORS: Mr. Converse, Mr. Shrey, & Mr. LaPerriere

Game Club is an engaging club where you can get together with your friends and play games in an attempt to win the game club crown. Alpha Empress / President Jamison Studley and Vice President Molly Cleary make Game Club a place where you can meet new people while also embracing your competitive side.

GSA

ADVISORS: Mrs. Milani

GSA is accepting of all Middleborough High School community members who are interested in attending meetings. The club's goal is to encourage equity, equality, and a sense of safety among all MHS students through advocacy, education, and a positive environment. They adhere to the GLESN event schedule, which is maintained by a non-profit educational group that supports the health and well-being of the LGBTQIA+ community.

Key Club

ADVISORS: Ms. Lemieux

Key Club is an organization sponsored by the Kiwanis International Organization. The club devotes its time to giving back to the school, community, and world. Key Club students host annual events such as the Eat to Heat, which is always a huge success in helping better our town.

Math Team

ADVISORS: Mr. Cerow

Math team was created for students who enjoy challenging themselves mathematically beyond the scope of the classroom. For the 2022-2023 school year, members of the team competed in the Southeastern Massachusetts Mathematics League and the New England Mathematics League, and were led by captains Allison Crowley and Kevin MacDonald.

Rise Up

ADVISORS: Ms. McCulloch

Rise Up provides students with the opportunity to increase their understanding of the causes of prejudice and its manifestations, such as name-calling, bullying, and cyber-bullying. Working closely with the program's advisor, Mrs. McCulloch, the students take an active role in leading workshops for their peers and other community members in their school in order to promote inter-group dialogue and understanding, as well as respect for individual differences.

YESS Club

ADVISORS: Mr. Harris & Mrs. McGurk

Advised by Mr. Harris and Mrs. McGurk, YESS Club is the Youth Environmental Social Society. This club is a group of students dedicated to the environment; this includes paddling, hiking, outdoor scavenger hunts, spreading conservation awareness, and service projects like handling recycling throughout the building. The club is doing a great job in helping keep our school and our world clean.

National Honor Society

ADVISORS: Mrs. Pittsley & Mrs. Salamone

NHS is composed of student leaders who demonstrate distinction in areas of academics and service. Throughout the year, members of NHS work together to create and organize various initiatives to give back to the school community and uphold commitments to scholarship, service, leadership, and character. The executive board is composed of President Haley Soule, Vice President Allison Crowley, Secretary Kevin MacDonald, and Activity Officer Aria Baken.

Mu Alpha Theta

ADVISORS: Mr. Cerow

Mu Alpha Theta is also known as the National High School and Two-Year College Mathematics Honor Society. Its purpose is to recognize and encourage students who enjoy and excel in mathematics.

National English Honor Society

ADVISORS: Mrs. Laliberte

The National English Honor Society (NEHS) is the only national organization exclusively for high school students and faculty who, in the field of English, merit special note for past and current accomplishments. The society's motto is "gelast sceal mid are," which represents their duty to serve their peers, the school, and the community.

Rho Kappa

ADVISORS: Mrs. Byrnes

Rho Kappa Social Studies Honor Society is the only national organization for high school juniors and seniors that recognizes excellence in the field of Social Studies.

Science National Honor Society

ADVISORS: Mr. Harris & Mr. Roensch

The Science National Honor Society recognizes students who demonstrate excellence in encouraging and recognizing scientific and intellectual thought. SNHS members work to advance our school's knowledge of classical and modern science.

World Language Honor Society

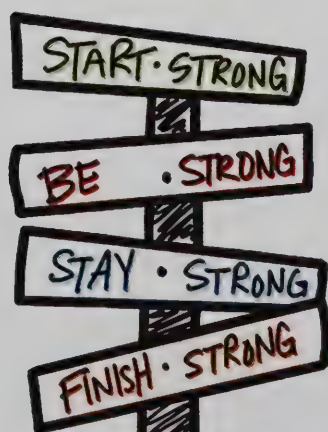

ADVISORS: Ms. Redpath

The World Language Honor Society is comprised of 3 organizations: the Sociedad Honoraria Hispánica, the Société Honoraire de Français, and the National High School Slavic Honor Society. The purpose of WLHS is to recognize students who excel in each different language offered at MHS, while spreading knowledge about different cultures. Members of the society must maintain high grades and participate in the society, especially during World Language Week.

Silver M Honor Society

ADVISORS: Mr. Chamberlain

The Silver M Society was formed to recognize those students who are active in their class and school. Faculty nominate students and the members vote. These students must have good academic standings and citizenship records. Silver M members receive silver tassels at graduation and Silver M pins upon induction.

Oh, the

Senior Sunrise

Before school, the Class of 2023 gathered together to watch the sunrise. Snuggled in blankets with donuts in hand, the students talked and prepared for the school year. Although the sunrise wasn't exceptional, the bond of the class most certainly was.

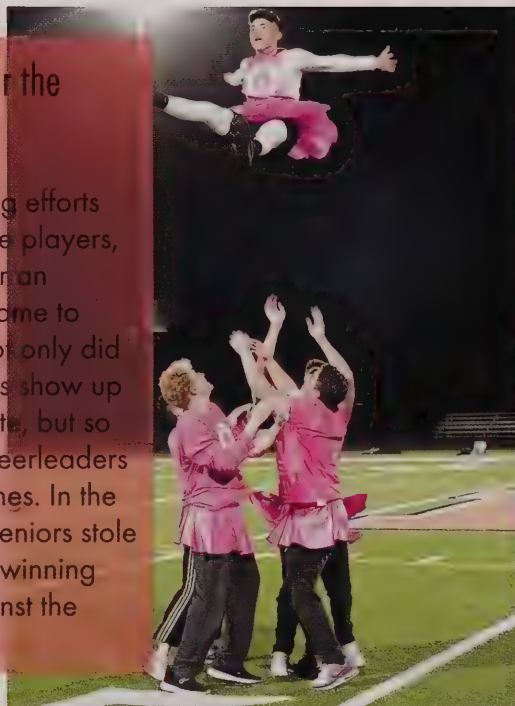

Hanging in there for senior year.

Victory for the Seniors

With strong efforts from all the players, it made for an exciting game to watch. Not only did the players show up to dominate, but so did the cheerleaders and coaches. In the end, the Seniors stole the show, winning 24-6 against the Juniors.

Return of the Junior Prom

After years of COVID restrictions, the annual Junior Prom made its return. Sticking with tradition, the prom was held at the Town Hall, and students were able to dance the night away together. Zayn Morrison and Isabella Kessimian were crowned as King and Queen.

The Middleboro Football Team finished their season 8-3. They won their first playoff game since 2017 with a tremendous 35-0 win over East Longmeadow. The team had 7 South Shore League All Stars, which is certainly one for the record books: Jacob Briggs, Nathan Tullish, Harrison Fuller, Matthew Cohen, Devon Hogan, Justin Mather, and Jacob Jordan.

While the team had a great season, quarterback Jacob Briggs had an even more memorable one. This season, Briggs won the 2022 Otto Graham Achievement Award, becoming the first person from Middleboro to win since 1983. Also, Briggs was named to The Boston Herald All-Scholastic and The Enterprise All-Scholastic 1st Team. Although 18 players graduate this year, many starters are expected to return, making for more successful seasons in the future.

Sachems Cheer

The Middleboro Cheer Team led by senior captains Ari Dupuy, Paige Maul, and Amelia Stebbins, had an amazing season. Once again, the team was able to qualify for states by placing in the top three at the regional competition. This season held the biggest cheer team MHS has ever seen, reaching a sideline of 38 cheerleaders. This large number allowed the team to put on dynamic performances not only at football games but also at pep rallies and assemblies. The cheer team most certainly succeeded in entertaining crowds in all settings with their routines filled with great dancing, tumbling, stunting, and technique. With it being their first full season since COVID-19, this year was one to remember for them.

Maioresettes

The Middleboro Majorettes had a fantastic year. The team had a strong start to the season thanks to their great football halftime performances. Joanna Parillo, the team's Featured Twirler, served as captain, and Lorraine Frawley served as the coach. As a whole and individually, the team was very successful in each of their Varsity Football performances, as they dazzled the crowd with their skills. The team is excited for the future as they continue to show spirit both on and off the field. For the winter, the majorettes were excited to begin their NEMA competition season, with the previous year being the first season since March 2020. The NEMA program is led by Coach Caity Parker and is always a highlight for the twirlers. The team is excited for the future as they continue to show spirit and skill both on the football field and at competitions.

Sachems Volleyball

In comparison to previous seasons, the Middleboro Sachems Volleyball team has made significant progress toward success. This is evident by their numerous victories and five-set matches. This year's team was led by senior captains Mari Dowler, Madison Silva, and Alexandra Welch and coached by Matt Laliberte, Alisha Laine, and Joshua Clattenburg. Coming back from a difficult season last year due to Covid-19 restrictions and not having a home gym, the Sachems adjusted well to the big change. The team's future appears to be greater than ever for the upcoming season, despite the departure of nine seniors who consistently served as role models.

With an overall record of 8-9-4, the Middleboro Field Hockey Team had a great season this year. Despite obstacles, the young team came to practice every day prepared to work hard. That was successful as the squad beat Montachusett RVT High School in the qualification round and went on to win the MIAA State Tournament. Isabella Mosley, Madison Ryder, Eva Jenness, Caitlyn Monahan, and Cassidy Saccone served as the team's captains this year, along with coaches Lisa Perry and Amanda Reynolds. After the improvement that was witnessed on and off the field, the team is eagerly anticipating the forthcoming season.

It was a challenging season for the Middleboro Girls Soccer Team. However, they transformed all their drawbacks into advantages to win all but one of their home games and complete the regular season with an 8-3-6 record. This brought the team to the state finals, where they won the first game and made history for the MHS Girls Soccer Program. Captains Lila Peddie and Hannah Larson worked hard to keep the team's energy up during intense games, but they were not the only leaders on the team. Everyone worked together, and thanks to Dennis W. Cutler's coaching, this season is not one to be forgotten.

Sachems Wrestling

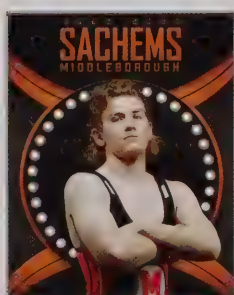

The Middleboro Wrestling Team experienced varying levels of success throughout the year. With new recruits from a co-op with Old Colony RVT and Nichols Middle School, the team's young lineup shows potential for the future. Cullen Holmes and Ayla Goldman, the two senior captains, and freshman Matthew Patterson guided the Sachems through difficult matches in tournaments and dual meets. The team ended strong at home, defeating Durfee 42-34 on senior night. They continue to power forward through the postseason, as their hard work allowed them to qualify.

Varsity

As the Middleboro High School Swimming and Diving Team had another fantastic season, constant cheers by the poolside could be heard. The girls, led by Captain Madison Ryder, were the South Shore League Champions for the 2022-2023 season with 7 wins, 1 tie, and 1 loss. The boys, led by Captain Luke Franey, finished 2nd in the South Shore League with 7 wins and 2 losses during the regular season. Diver Keira Deane finished 14th at the South Sectional Championship. Due to everyone's commitment, perseverance, and hard effort, as well as the immense support from coaches Sean Siciliano and Tara Marano, personal best times were achieved throughout the season.

Sachems Winter Track

As the years go on, it seems as if the Middleboro Indoor track and Field Teams, both boys and girls, just keep on getting better. This year, the girls team went undefeated and finished as South Shore League Champions for the 6th year in a row. As for the boys, they were also undefeated and named South Shore League Champions for the 2nd year in a row. With such a wide array of talents encouraged by a strong coaching staff, the team had various divisional, state, and national qualifiers. In the coming years, with the rapid success of the Sachems track and field program, there is certain to be similar success despite 16 seniors leaving.

Gymnastics

The Middleboro/Carver gymnastics team combined once again for the 4th year in a row. Every year, each gymnast improved their mentality as well as their skills to help the team continually receive higher scores at each meet. This year's team was led by senior captain Erin Carey and junior captain Jessica Baldwin. Throughout the season, Middleboro student Kaitlyn Munier, as well as Carver student Jessica Baldwin, were all-around gymnasts for each competition. Although the gymnastics team this year was very small and faced many challenges throughout the season, they continued to work together up until our last competition, the league meet. According to the team, "Gymnastics doesn't only come with working hard; it involves a positive attitude as well as always remembering to have fun."

MHS offers free participation in Unified Sports (Basketball and Track & Field) to its students in order to promote inclusiveness.

Teamwork and healthy competition, along with active encouragement, help all teammates grow mentally and physically. Each and every teammate had a spectacular season, whether they played as a partner or as an athlete. This year, the two teams grew significantly in numbers, displaying the true effort MHS is making to bridge the gap between all abilities. In addition to the sports offered at the high school, MHS works with the Student Council and the Special Olympics to participate in Unified Bocce tournaments with other schools in the area.

STORY OF THE YEAR

WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

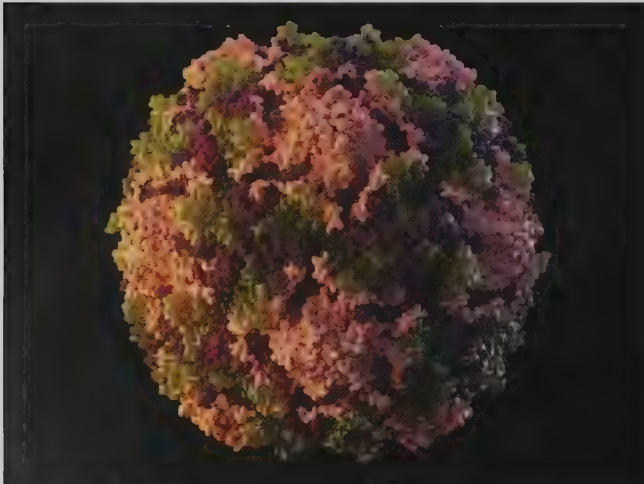

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

HEADLINES

POLICING POLIO

After polio paralyzed an unvaccinated New York man and the polio virus was discovered in wastewater in three counties, Kathy Hochul, New York governor, declared a state of emergency on September 9, 2022, to urge vaccinations. Once thought to be eliminated from the United States, the virus can cause paralysis and even death. The threat of polio followed a recent outbreak of the mpox virus.

FRIEND OF THE ENVIRONMENT

Patagonia, the outdoor gear company, captured attention in September 2022 when the company's founder and owner, Yvon Chouinard, transferred ownership of his family business to a trust and nonprofit dedicated to saving the planet. Chouinard's move will likely bring \$100 million a year to combating climate change and preserving the planet.

QUEEN ELIZABETH II

After reigning 70 years as England's longest-serving monarch, Queen Elizabeth II died, leaving her son Prince Charles, age 73, to be king. Elizabeth became queen at age 25 and was crowned at age 27 in 1952. Her reign encompassed the leadership of 15 British prime ministers and decades of change, including England's transition from empire to commonwealth, the Cold War, and Britain joining – then exiting – the European Union.

SERVING THE COURT

On June 29, 2022, Judge Ketanji Brown Jackson, age 51, was sworn in as the first African American woman appointed to the Supreme Court in the 232 years since it was established. Serving as the 116th justice on the court, the Harvard College and Harvard Law School graduate was recognized for her knowledge of criminal law.

RELAXED REGULATIONS

In August 2022, after more than one million COVID-19 related deaths and two years of COVID-19 guidelines set by the Centers for Disease Control and Prevention, many schools and businesses ended contact tracing and stopped requiring unvaccinated people exposed to the virus to quarantine.

TAKEN BY STORM

Hurricane Ian buffeted Fort Myers, Florida on September 28, 2022, with torrential 150-mph winds and rain that destroyed homes and businesses across the state. The rare Category 4 hurricane and its storm surge took more than 100 lives, resulting in an estimated \$67 billion in losses.

GEN Z VOTES

Gen Z showed up in the second-highest youth turnout rate for a midterm election in the last 30 years. Exit polls revealed that 27% of Americans ages 18–29 cast a ballot. Two-thirds of young voters voted for Democrats for the House of Representatives, compared to the majority of 45- to 65-year-olds, who voted Republican. 2022 was the first time Gen Z could run for Congress and Maxwell Frost, 25, was the first Gen Zer elected as House Representative.

HEADLINES

QUIET QUITTING

More than two years after COVID-19 brought the world workforce to a halt, a growing number of Americans bristled at spending time at unsatisfying jobs. Dubbed "The Great Resignation," workers quit jobs in unprecedented numbers, with 4.2 million quitting in July 2022 alone. Even professions like teaching saw increased departures. By September, a poll showed that 33% of workers were contemplating leaving their jobs, while 60% were rethinking their careers. Others, especially Gen Zers, joined the TikTok trend, #quietquitting, by refusing to go above and beyond or subscribe to a hustle culture.

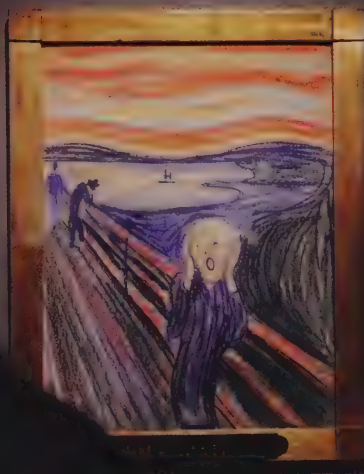

WALK IT OUT

Through a study of more than 6,000 adults, Vanderbilt University discovered that walking at least 8,200 steps a day lowered obesity, depression and sleep apnea. Walking also lowered the risk of developing type 2 diabetes, high blood pressure, dementia and death from cancer and heart disease. A speed of just under three miles per hour increased these benefits, and 11,000 steps a day was linked to reducing obesity.

THE SHOE DROPS

Adidas dissolved its partnership with Kanye West and his sneaker brand, Yeezys, after the superstar, who changed his name to Ye, made repeated anti-Semitic and anti-Black statements publicly in October 2022. Yeezys, which cost between \$160 and \$300, were renowned for breaking into the Nike Air Jordan-dominated footwear sector, driving it to become a multi-billion dollar industry.

A NEW KIND OF PROTEST

Edvard Munch's famous painting *The Scream* found a new reason to scream in November 2022, when a group of Norwegian climate protesters attempted to glue themselves to the iconic work. The attack became the fifth in a series of filmed staged assaults on museum masterpieces, including throwing soup and mashed potatoes at works by Van Gogh and Picasso in museums in London, Germany, Italy and Australia.

FLY ME TO THE MOON

NASA's Artemis 1 Orion spacecraft returned to Earth on December 11, 2022, having traveled more than 1.4 million miles on a path around the moon. During the record-breaking flight test on December 28, 2022, Orion set a new record of 270,000 miles for the farthest distance from Earth a spacecraft designed to carry humans has ever traveled.

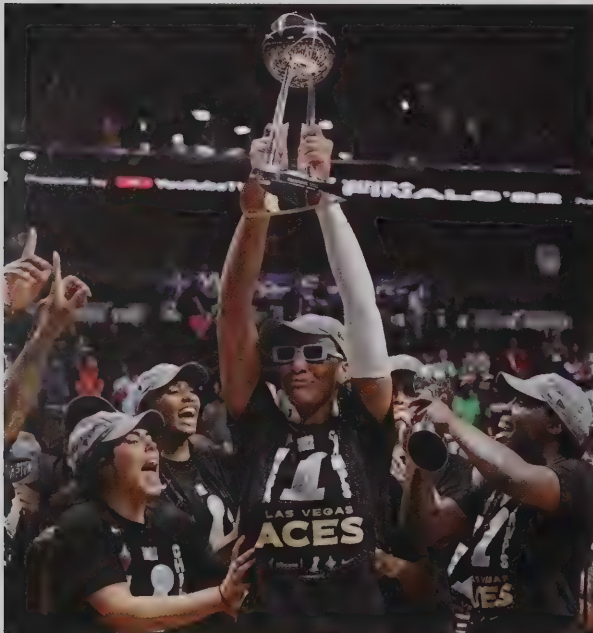

A FIRST FOR FEMALES

The United States Mint released its first five quarters to honor women as part of a four-year American Women Quarters series. The Secretary of the Treasury selected five trailblazers from recommendations submitted by the public through the National Women's History Museum. The first five selected were Maya Angelou, Dr. Sally Ride, Wilma Mankiller, Nina Otero-Warren and Anna Mae Wong. The program aimed to honor notable women from diverse backgrounds on the flip side of quarters and feature a likeness of George Washington different from his image used in previous quarter programs.

SPORTS

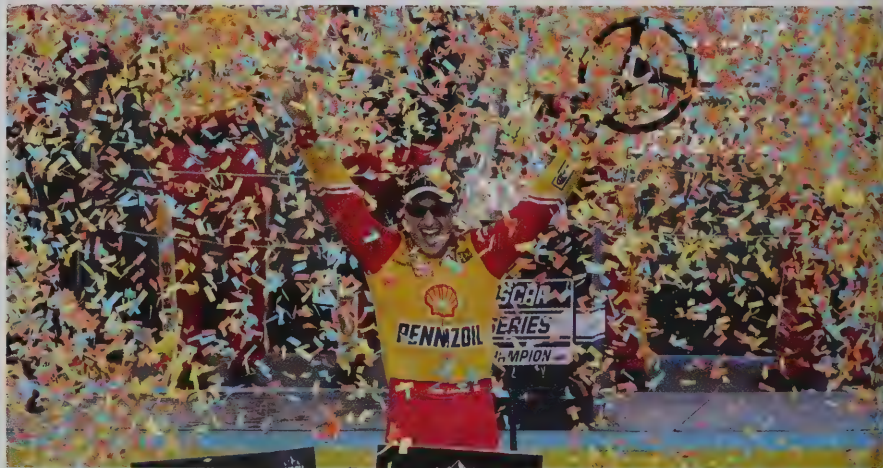

SO LONG, NO. 6

On August 11, 2022, just ten days after Bill Russell's death, the National Basketball Association (NBA) announced the retirement of the No. 6 jersey across the league – just the third player behind Jackie Robinson (baseball) and Wayne Gretzky (hockey) to be honored league wide. Standing 6'10" tall, Bill Russell sported the No. 6 as he drove the Boston Celtics to NBA history starting in 1959, with an unprecedented nine NBA championships as a player and two as the first African American head coach in any major American sports league.

ACES IN THE COURT

The Women's National Basketball Association (WNBA) season wrapped up its championship finals with the Las Vegas Aces winning their first-ever title against the Connecticut Sun. Chelsea Gray was named MVP of the finals, with an average 18.3 points, shooting 58% from the field.

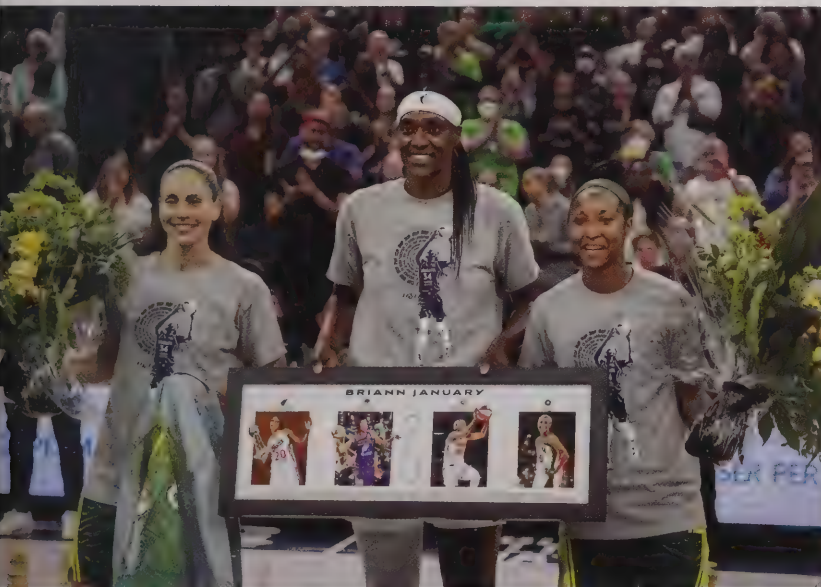

GO SPEED RACER

Three-time Indy 500 winner Helio Castroneves won the 105th Indianapolis 500 race, driving for Pennzoil. Castroneves, who has won the race three times, was the first driver to win the race in a 100% qualifying position. He finished the race with a lead of 1.4 seconds over second-place driver Scott Dixon. Castroneves also won the 2001 and 2002 Indy 500s. He is the first driver to win the race in a 100% qualifying position since 1980. Castroneves is the first driver to win the race in a 100% qualifying position since 1980. Castroneves is the first driver to win the race in a 100% qualifying position since 1980.

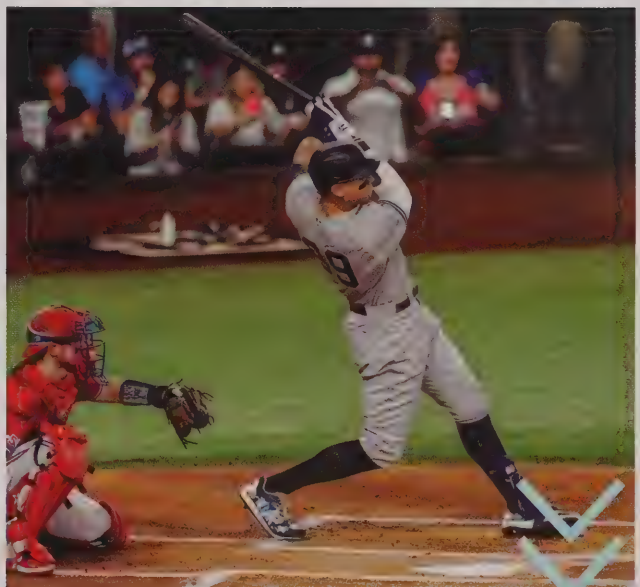

LIV GOLF LIVE

The 2022 LIV Golf season kicked off with a bang as the first tournament, the RSM Classic, was held in Jacksonville, Florida. The event was a success, with LIV Golf players performing well and the tournament drawing a large crowd. The LIV Golf players have been making headlines since their debut, and the 2022 season is expected to be even more exciting. The LIV Golf players have been making headlines since their debut, and the 2022 season is expected to be even more exciting.

LEGENDS LEAVE

2022 saw the retirement of two legendary women's basketball players. Sylvia Fowles, 36, played for 15 seasons, won four Olympic gold medals and earned two Women's National Basketball Association (WNBA) titles with the Minnesota Lynx. Sue Bird, 41, played for 20 seasons in 500 career games with the Seattle Storm, won four championships in three different decades, appeared in a record 12 All-Star games and earned five Olympic gold medals.

JUDGE MAKES RECORD

New York Yankees outfielder Aaron Judge made history on October 4 with his 62nd home run of the season against the Texas Rangers. The new American League record, previously held by Roger Maris for 61 years, was only exceeded by Barry Bonds, Mark McGwire and Sammy Sosa.

SPORTS

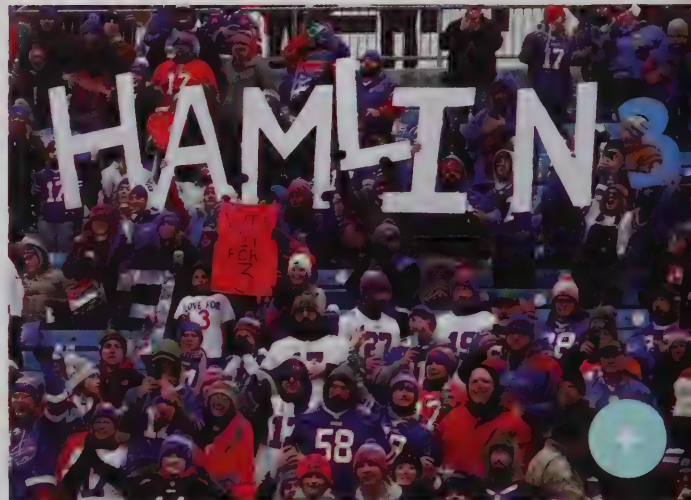

GOOD TO HAVE GOALS

Team USA's mixed Olympic team, which competed in 2022, was the United States' first national team to compete in the mixed Olympic team. The team was composed of athletes from various sports, including basketball, volleyball, and soccer. In the upcoming Tokyo 2020 Olympics, the team will compete in the mixed Olympic team. The team will be led by coach and former Olympic athlete, and will be supported by the United States Olympic Committee. The team will be competing in the mixed Olympic team, which is a new addition to the Olympic Games. The team will be competing in the mixed Olympic team, which is a new addition to the Olympic Games. SERENA MOVES ON

Serena Williams announced her retirement from tennis in a *Vogue* magazine cover story. Williams won 23 Grand Slam singles titles and was ranked the No. 1 player in the world for 319 weeks during her 23-year career. At 40, Williams turned her full attention to her family and other career ventures.

DAMAR HAMLIN

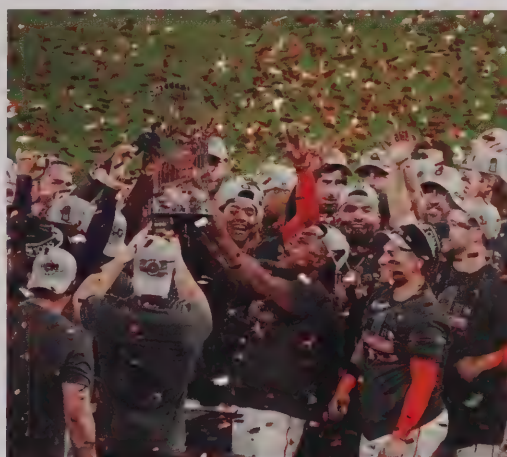

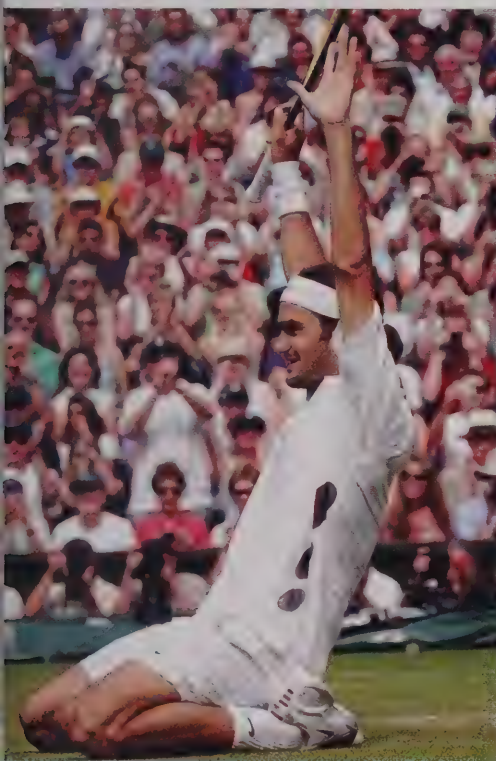

Buffalo Bills safety Damar Hamlin suffered a cardiac arrest following a routine tackle in a game against the Cincinnati Bengals. Hamlin's heartbeat was restored on the field before he was transferred to a hospital and discharged nine days later. This was the first game in NFL history to be suspended due to an injury.

PICKLEBALL WALL

The fastest-growing leisure sport in America, pickleball proudly boasted 4.8 million players, called "picklers," who took to the courts in 2022 with plastic Wiffle-style balls and paddles to play singles or doubles. The sport found favor first among older Americans but recently skyrocketed in popularity among the under-24 crowd. Played standing or in a wheelchair, pickleball is highly accessible, with more than 38,000 venues and an app (Pickleball+) to locate indoor and outdoor courts.

SWING KINGS

The Houston Astros celebrated wildly when they beat the Philadelphia Phillies and clinched their second World Series title since 2017. The Phillies were up two games to one in the series, but the Astros surged ahead with three straight wins and took game six – and the title – with a four-to-one victory on their home field.

GOOOOAAAALLLS!

The two top-seeded Major League Soccer (MLS) clubs went toe to toe in the MLS championship game on November 5, and two late goals scored in the final minutes of extra time resulted in a penalty-kick showdown. The Los Angeles Football club (LAFC) beat the Philadelphia Union after a 3–3 draw. Adding to the drama, goalkeeper John McCarthy, playing against his former team, shut out the Union in a 3–0 penalty kick shootout.

MATCH POINT

In game six, the Astros won the series 4–2 and clinched the title with a 4–1 victory in the sixth game. The Astros, a double-play combination of shortstop Carlos Correa and second baseman Jose Altuve, played more than 1,000 matches, and Correa, who played more than 1,000 matches, was named MVP. ENTERTAINMENT

FLUTE AND FLOURISH

In October 2022, hip hop artist and classically trained flutist Lizzo accepted a Library of Congress invitation to perform at her Washington, D.C. concert with a 200-year-old crystal flute. The rare instrument belonged to James Madison, the fourth President of the United States, had survived a devastating fire and had never been played.

FAN FLURRY

A September 2022 sneak peek of Disney's live-action adaptation of *The Little Mermaid*, originally a 1989 animated movie, brought a flurry of reactions about Halle Bailey starring as Ariel, the lead character. The trailer was viewed more than 100 million times in the first week, as Bailey, an African American actress and R&B singer, inspired the social media hashtag #representationmatters.

FIND YOUR VOICE

After 12 years and 22 seasons of *The Voice*, original judge Blake Shelton announced that season 23 would be his last. John Legend announced that he would be taking the season off to focus on family, his new album and touring. With Gwen Stefani and Camila Cabello stepping aside, Kelly Clarkson would be returning with new judges Niall Horan and Chance the Rapper, alongside Shelton for his final season in 2023.

BLACK PANTHER FOREVER

Letitia Wright filled big shoes as the new superhero to the sequel of the 2018 smash Marvel film starring Chadwick Boseman as T'Challa, the King of Wakanda. The *Black Panther: Wakanda Forever* storyline follows T'Challa's little sister, Shuri, played by Wright, as she matures into the hero doing battle with the ancient ruler and villain Namor, played by Tenoch Huerta. *Black Panther: Wakanda Forever* reeled in a record-breaking \$180 million on its opening weekend in November 2022.

NOT-SO-SWIFT SALES

Taylor Swift's 10th album, *Midnights*, debuted to record-breaking sales. Swift continued to be the top American Music Awards winner, adding six awards to bring her total to 40, but it was "The Eras Tour" ticket sales that rocked headlines. In November 2022, Ticketmaster opened up sales with presale codes and a waitlist for Swifties not lucky enough to score a code, but the system crashed with 3.5 billion requests, and public ticket sales were canceled.

KPOP? OKAY!

With the success of bands like BTS and TWICE, it was only a matter of time before K-Pop made Broadway. The South Korean cultural phenomenon hit the stage in *KPOP*, a musical featuring a girl band, RTM15, and a boy band, F8. The documentary-style story with flashbacks showed the sacrifices performers make to achieve stardom.

TECH & TRENDS

ENCHANTED BY *ENCANTO*

Disney released *Encanto* in 2021, but echoes of the movie featuring the Madrigals, a Colombian family, swelled in 2022. "We Don't Talk About Bruno" spent three months on Billboard's Hot 100 list and officially became the biggest Disney song of all time. The animated movie was celebrated for representing Latin family and community values authentically and positively.

TWEET DEAL

Elon Musk, chief executive officer of SpaceX and Tesla, became the new owner of Twitter in October, almost six months after he first offered \$44 billion to take control of the social media site. After firing Twitter's chief executive and chief financial officer and hundreds of employees, Musk made the company private and loosened the platform's content moderation in pursuit of publishing "widely diverse viewpoints."

IT'S A WRAP(AROUND)

Wraparound sunglasses, the formerly mocked eyewear, made a resurgence after Kim Kardashian posted photos of herself in the curved lenses on her Instagram. The Balenciaga Swift Oval shades that Kardashian wore to the Vanity Fair Oscars after-party cost \$490, but look-alikes were available online for less than \$13.

HARRY'S HOUSE

Harry's House was the title of Harry Styles' album, released in May 2022, but it also became the nickname for Madison Square Garden after the singer performed 15 shows for his "Love On Tour" residency in New York City. The tour went global as his single "As It Was" reached number one on Billboard charts. Fans of Styles, known as Stylers, paid between \$110 and \$384 for tickets to see the former One Direction singer perform live.

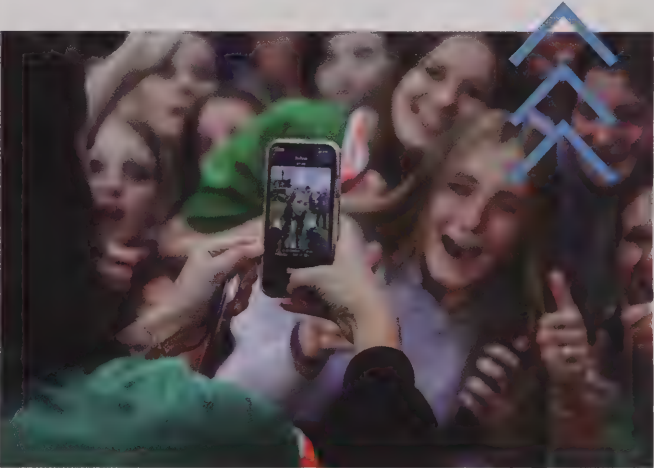

988 FOR LIFE

A blitz of posters, stickers and social media morphed 988 into a lifeline for more than 152,000 callers in August 2022, just a few weeks after the number was activated. The emergency mental health support line, which also offered support via texting, averaged 45-second response times, almost two minutes faster than the previous number, 1-800-273-8255.

TIME TO BeREAL

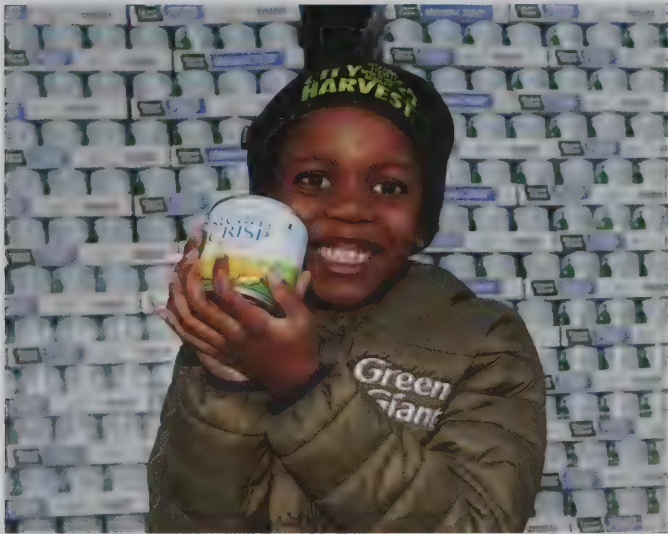

The trendiest app of the year set out to counter social media norms of edited, perfect posts and social comparisons. BeReal challenged users to snap a real-time photo (using front and back-facing cameras) and post it unedited when prompted by a random daily push notification. Users had two minutes to post whatever they were doing in real time. If they missed the time, their post was marked "late" to keep the post honest.

CRASH TEST

It was a real-life climactic scene straight out of an apocalyptic movie. On September 26, 2022, NASA purposely crashed a spacecraft into an asteroid to change its trajectory and test a defense against potential cosmic collisions with Earth. They planned to consult photos from the Hubble and Webb Telescopes to chart the trajectory over time.

TECH & TRENDS

CORNTASTIC

A 7-year-old New York City child went viral on TikTok and Instagram in late August 2022 when asked his thoughts about corn. "It's corn!" Tariq exclaimed. "I can't imagine a more beautiful thing!" His wholesome words blossomed into the anthem of the summer when they were autotuned into a catchy song on YouTube. The fall saw Tariq partnering with Green Giant to donate 90,000 cans of vegetables, as well as appearing in a Chipotle ad.

HOPE IS NEVER MERE

Blockbuster prequel series *The Lord of the Rings: The Rings of Power* (Prime Video) had fans excited to see empowered and heroic female characters at the center of the story. *The Rings of Power* is set thousands of years before the events of J.R.R. Tolkien's trilogy with Frodo and Bilbo.

CELEBRITY CAMEO

The Cameo app connected celebrities with its users to create personalized video messages for any occasion. Users browsed thousands of stars ranging in price from \$1 up to \$2,000 based on popular demand – with some donating funds to charitable causes. Featured celebrities included Olympic gymnast Gabby Douglas, actress Lindsay Lohan and boxer Floyd Mayweather.
